

For fans looking to bring a little bit of iconic Studio Ghibli magic into their video game library, there are a number of games to start with.

However, when it comes to selecting the right game, it can feel overwhelming with numerous titles available and advertising themselves as kid-friendly. Some child-appropriate games may feel too advanced for some kids or maybe boring for older ones. So, where does one start? Well, thankfully, there are many fantastic **cooperative games for kids** that parents can enjoy too.
