PRINCIPAL MESSAGE

KKC continues to uphold the traditional values along with a modern pedagogy. I thank you for your interest in this exceptional institution which for over a decade has shown constant development and has accomplished much, making it one of the colleges recognized for its excellence and therefore, much sought after by the youth.

At KKC PG College our approach is student centric and goes beyond text books. We support students to develop practical skills , enabling them to apply their learning in various practical life disciplines. We aim to enthuse and challenge staff and students to be inventive and imaginative in their learning and day-to-day tasks.

Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts.

My best wishes to the new students entering KKC PG College.
